

**RICCARDO QUATTRINI** – *Direttore Generale da marzo 2023.*

Riccardo Quattrini si è laureato in Ingegneria Meccanica ad indirizzo Gestionale presso il Politecnico delle Marche nel 1993. Nel periodo dal 1994 al 2010 ha collaborato con Biesse Group, come Project Manager nella Divisione Engineering di Gruppo fino al 2000, poi dal 2001 al 2006, Engineering Director (Biesse Systems) e Brand Manager (handling and drilling) e, infine, dal 2006 al 2010, è stato Sales & Marketing Director.

Durante questo periodo frequenta vari corsi di formazione, tra cui Project Management e Programma di Sviluppo Manageriale in SDA Bocconi e Lean Transformation in PORSCHE Consulting Akademy.

Successivamente, a partire dal 2010, ha ricoperto nel Gruppo Cefla dapprima la carica di Direttore Commerciale, Marketing e Prodotto poi quella di Managing Director – Finishing Division ed ancora di Managing Director – BU International, fino a divenire, nel 2017, CEO del Gruppo Cefla. Dopo una breve parentesi come Deputy General Manager di Aetna Group (packaging), dal 2017 al 2019 è General Manager di IFI. Da fine 2019 torna in Biesse Group, prima come Direttore della Wood Division e poi come Group Chief Product Strategy & Development Officer per tutti i business (Wood, Glass, Stone e Advanced Materials).

**RICCARDO QUATTRINI** - *General Manager from March 2023.*

Riccardo Quattrini graduated in Mechanical Engineering with a Management address from the Marche Polytechnic University in 1993. During the period from 1994 to 2010, he worked with Biesse Group, as Project Manager in the Group Engineering Division until 2000, then from 2001 to 2006, Engineering Director (Biesse Systems) and Brand Manager (handling and drilling) and finally, from 2006 to 2010, he was Sales & Marketing Director.

During this period he attended various training courses including Project Management and Managerial Development Programme at SDA Bocconi and Lean Transformation at PORSCHE Consulting Akademie.

Subsequently, starting in 2010, he held the position of Sales, Marketing and Product Director at Cefla Group, then Managing Director - Finishing Division and again Managing Director - BU International, until becoming CEO of Cefla Group in 2017. After a brief period as Deputy General Manager of Aetna Group (packaging), from 2017 to 2019 he was General Manager of IFI. From the end of 2019 he returns to Biesse Group, first as Director of the Wood Division and then as Group Chief Product Strategy & Development Officer for all businesses (Wood, Glass, Stone and Advanced Materials).
